Actions to support SB 1018 and House Companion HB 899

**Action 1:** Thank Senator Hays and Rep Pilon for championing these bills and urge your local legislators to CO-SPONSOR these bills in their respective House. Use this link to email them.

**Action 2:** Get 10 of your friends to go to this link and send this petition to their legislators.

Our children’s future depends on fixing our k-12 education system and this is a great step in the right direction!

**Action 3:** Call your House Rep and Senator and request a meeting to urge their co-sponsor support or at minimum a request a return call to speak personally with your legislator. These are the links for the Florida House and Florida Senate so you can easily find your legislators’ telephone numbers.

- Here are the talking points
- Other possible actions--organize a Christmas card campaign to send a note urging your legislator to co-sponsor these two bills- one to your Senator and one to your Representative.

**Action 4:** Organize a Watchdog Education Committee in your county to review text books in your k-12 schools to identify materials that are political and religious indoctrination, reconstructed US history, contain pornography and ridiculous Math methodologies.

**NOTE.** There are organized education action committees in Collier, Lee, Volusia, Okaloosa, Charlotte and Brevard, so far. Here are some tools and important info you can use to get started. We have been and will continue posting text book reviews on our website from these counties and all you really need to do to get started is verify these materials exist in your county. For more info and help getting started, contact us at info@floridacitizensalliance.com

**Action 5:** Get prepared to send a 2-3 person team to Tallahassee from your county in January to meet with legislators and attend committee hearings. We will be organizing an initial 1-2 day trip in mid-January and then will need to be flexible for key committee hearings.
